No. of Professional Staff Involved : 7		
No. Of Professional Man-Months : 30		
Approximate Value of Project: RM 40 Million		
Start Date : March. 1998		
Completion Date : February 2001		

Associate firms (if any) : Terra Geotechnics Sdn. Bhd.

Description of Project and Services Provided:

Guthrie Aerospace Park (GAP) sits on a 140 acres land in Bukit Jelutong Estate spacing. It is situated near the Subang Airport and TUDM to allow access from Subang runway into GAP. It is divided into two (2) type of development i.e. Airside and Landside. GAP was designed to cater to the aerospace industry and to encourage investment from foreign market.

Services:

- Masterplan for all infrastructure and utilities.
- Detail design for all infra and utilities for both the airside and landside development e.g. Taxiways, Hangars, Aprons etc.
- Geotechnical Assessment.
